We are pleased to announce the three-year anniversary of Lakson Investments, the asset management and investment advisory arm of the Lakson Group.

Lakson Investments' assets under management have grown by over 50% in the past year, amounting to over PKR 12 billion in open-end mutual funds and over PKR 2.5 billion in discretionary funds. As a result, we are one of Pakistan's fastest growing asset management companies.

We do not own or maintain any affiliation with commercial banks, investment banks, brokerage firms and/or fixed income dealers; this allows us to keep our focus where it should be - on the interest of our investors.
